Humble Homemade Hifi - Humble Statement MkII

- * baffle: 38mm solid hardwood
- * panels: 38mm mdf
- * all edges of each mdf panel should be rounded off;
- R= 3mm to accentuate the "ribbed" construction and to avoid cracks when spray-painted
- * woofers: Thiel & Partner C220-T6-220 Vbox=70 liter netto; Qtc = 0,62; fb=45Hz
- * midrange: Thiel & Partner C173N-T6-90
- * tweeter: Thiel & Partner C30N-6-24
- * "Outriggers" brushed stainless steel
